WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK:

Please read this form carefully and be aware that in signing up and participating in programs/activities, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with said programs/activities (including transportation services and vehicle operations, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in these programs/activities, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims against the Glencoe Park District and School District 35, including their officials, agents, volunteers and employees (hereinafter collectively referred to as "Park/School District"), which I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs/activities. I do hereby fully release and forever discharge the Park/School District from any and all claims for injuries, damages, or loss that I may have or which may accrue to me arising out of, connected with, or in any way associated with these programs/activities.

WARNING OF RISK:

Recreational activities are intended to challenge and engage the physical, emotional and/or mental resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and other risks inherent to the particular activity. In this regard, it is impossible for the Park District to guarantee absolute safety.

ICE SKATING ACTIVITIES:

The very nature of ice skating is risky, including but not limited to slips and falls, colliding with other players (including being struck from behind), tripping on irregular ice surfaces, cuts from skate blades, and other risks inherent to the sport. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to: head injury, neck or back injury, wrist and ankle fractures, and other orthopedic injuries to limbs and joints. In this regard, it must be recognized that it is impossible for the Glencoe Park District to guarantee absolute safety. All participants in hockey programs MUST wear a helmet as well as other required equipment based on level. All figure skating participants are highly encouraged to also wear a helmet as well as knee, wrist, and elbow protection.

CONDUCT POLICY:

The Glencoe Park District reserves the right to expel or deny participation to any person in any program, event or facility whose behavior interferes or disrupts the quality of those offerings or the staff or other participants engaging in them. Children's parents or guardians shall be notified of the first incident; the second incident shall require the presence of a parent at a meeting with the instructor and a Park District Administrator/Program Manager; a third incident may result in an expulsion of the child from the program, event or facility. Immediate expulsion may occur in the event of severe disciplinary issues.

PROGRAM PARTICIPANT CONTACT ROSTER POLICY:

The Park District frequently receives requests from program participants, or from their parents/guardians, for names and telephone numbers of other participants in a particular program. The Park District is willing to provide this information so that participants or their parents/guardians may coordinate their activities in connection with the program. Names and telephone numbers will be included in a class/activity contact roster that is available to other participants in that specific program or to their parents/guardians upon request. If you DO NOT wish to have the name and telephone number of the Registrant above to be included in the contact roster for the program you have registered for, you must contact the Park District in writing five days prior to the date the program or activity begins. The Park District is not responsible for the content of any communications made or received by program participants or their parents/guardians, or for the use or further distribution of such contact information by other participants. Unless you notify the Park District that you do not wish to allow this contact information to be given to other participants, by signing this waiver and release you agree to waive and release the Park District from any liability of any kind with respect to the inclusion of the name and telephone number of the Registrant in the contact roster for the program(s) for which you are registering, in addition to the other matters to which the waiver and release applies.

PARENTAL SPORTSMANSHIP AGREEMENT:

This agreement is between you, the parents, and the referees and coaches of the Glencoe Park District. This agreement is intended to prevent parental intervention into the playing of the game. One of the perceived problems with athletics is inappropriate parental complaints and overzealous actions toward the players, coaches and referees during the playing of the game. Your "job" as a parent is to root for your child's team, not to complain about the referee's calls or the coaching and decision making of the volunteer parents. Athletics provide an opportunity for our children to learn about good sportsmanship in a team sport environment. They do not often learn this in school. They learn sportsmanship by example; and you, the parent, are your child's best example.

PARTICIPANT WITH ALLERGIES:

Participants with allergies, such as to bee stings, peanut products, dairy, etc., may be at risk of a serious allergic reaction while participating in a Park District program due to contact with or ingestion of the allergen. The Glencoe Park District cannot guarantee an allergen free environment, but with your cooperation we can create safer surroundings and be better prepared to handle emergencies. The Park District will make reasonable, feasible, and practical accommodations to allow participants with life-threatening allergies to participate in our programs. Glencoe Park District requests participants, parent(s) and/or guardian(s) complete and submit a Food Allergy Action Plan and other required forms a minimum of seven (7) days prior to the participant's first day of attendance to allow time for accommodations and to train appropriate staff. Forms may be obtained at the Takiff Center main registration desk.

PHOTO AND VIDEO POLICY:

Photos and video footage may be taken of participants in a class, during a special event or at the District's park and facilities. These photographs are for Park District publications, fliers, brochures, posters, or online use. All photos and videos taken on Park District property are for Park District use and become its sole property. If you do not wish to be part of photos or videos, please notify Park District staff at that time. For further information, please call the Park District's Marketing and Communications Manager at (847) 835-3030.

100% SATISFACTION GUARANTEE

I understand that our 100% Satisfaction Guarantee excludes contractual programs (as noted in our brochure), as well as all seasonal/membership passes, special events and rentals.

PARTICIPATION WILL BE DENIED:

Participation will be denied if the signature of the adult participant or parent/guardian and date are not on the reverse side of this waiver. A signature is required for each participant 18 years old or older and one signature for all minor children/dependents.

I further understand that this waiver is transferable and therefore applies to all future programs and/or passes.
