**RENEW YOUR PASS ONLINE!**  
 If you purchased a Watts Ice Center Open Skate season pass last year, you can now renew your pass online! Visit [www.glencoeParkDistrict.com](http://www.glencoeParkDistrict.com) after November 1 to renew your pass for the 2017-18 season!

## DAILY FEE

The admission fee gives you access to the rink during Open Skate times. Proof of age is required; children under 3 and adults over 65 skate free.

CHILDREN (Age 3-17): \$6	ADULTS (Age 18-65): \$8	SKATE RENTAL: \$4
--------------------------	-------------------------	-------------------

## SEASON PASSES

Get unlimited access to public skate! Season passes may be purchased in person at the Takiff Center beginning November 1, and at Watts Ice Center beginning November 24. Individual photos will now be taken and required for all pass types. One season pass/card per family. Family members must reside in the same household to purchase a family pass. **New!** Get unlimited public skate, open broomball and open shoot with a combo pass.

SEASON PASS	EARLY BIRD RATE 11/1/17-11/21/17	REGULAR RATE 11/22/17-3/1/18
INDIVIDUAL	\$62	\$78
EACH ADDITIONAL FAMILY MEMBER	\$29	\$34
HOCKEY/PUBLIC SKATE COMBO PASS	\$175	\$200

## OPEN HOCKEY & BROOMBALL

Get on the ice and play! Open hockey is the perfect way to improve your game! Times are subject to change; the open shoot schedule does not apply to winter break or school holidays. **\*Note:** Hockey pass information is stored on the same membership pass as the open skate passes. Helmets are required.

OPEN HOCKEY FEES & PASSES	ADULT/YOUTH: \$8/DAY
Ask us about our hockey/open skate combo pass!	10 PASS:* \$67

## ON-DEMAND CLASSES

Have a group of friends who would like to take a skating class together? No problem!

Glencoe Park District lets you form your own semi-private hockey or figure-skating class based on instructor and rink availability. Available days and times may vary. Grab a group of friends and pick a time that works for you! To build your class, contact Bobby at [bcollins@glencoeParkDistrict.com](mailto:bcollins@glencoeParkDistrict.com)

**VISIT [WWW.GLENCOEPARKDISTRICT.COM](http://WWW.GLENCOEPARKDISTRICT.COM) FOR COMPLETE SCHEDULE.**  
**OPEN SKATE, OPEN HOCKEY, & OPEN BROOMBALL ARE OFFERED DAILY**

## BLACK **ICE** FRIDAY

### OPENING DAY Friday, November 24

10 AM-6 PM | **Open Skate & Open Shoot**

6-8 PM | **Free mini-classes, games & more!**

## FIGURE SKATING LESSONS

REGISTRATION WILL BEGIN FOR ALL CLASSES ON NOVEMBER 1.

Glencoe Park District now offers United States Figure Skating Association curriculum for all skating lessons. USFS is the nationally recognized governing body for figure skating in the United States. The program encourages participation and achievement in the sport of figure skating for participants of all ages and skill levels. The USFS Basic skills program will provide a foundation of fundamentals combined with fun on the ice to give participants a positive experience and a lasting passion for skating. Participants will receive a booklet to track their progress through the program as well as patches for each session of participation and level passed. Levels offered will include:

- SNOWPLOW SAM 1-3 (ages 3-5)
- BASIC 1-8 (ages 6 & up)
- FREESKATE LEVELS (advanced skaters)

Participants will also receive access to special practice times open only to skate school students as a way to work on skills learned in class.

## ICE FOR SALE!

RINK RENTALS NOW AVAILABLE

Use the main rink, studio rink, or recreation room for your next community event. Reservations for private rentals starts October 3. Full payment and the completed Ice Rental Agreement Form must be returned to Watts Center within 48 hours to confirm an ice rental. Ice time may not be placed "on hold" for any reason. Refunds will not be issued if requested less than seven days prior to rental date.

Watts Center will cancel rentals when the wind chill factor drops to (-20°F) negative twenty degrees Fahrenheit. At that time, a full refund will be processed, or rentals will be rescheduled (subject to availability). An additional fee will be applied for rentals that require additional clean up, accrue damages, or run past the rental time.

Main Rink	\$268/294 per hour (R/NR)
Studio Rink	\$160/175 per hour (R/NR)
Recreation Room	\$83/hour

## HOCKEY PROGRAMS

REGISTRATION WILL BEGIN FOR ALL CLASSES ON NOVEMBER 1.

Join one of the fastest growing sports in Chicago and the United States! Our hockey programs will teach the basics of skating as well as the rest of the fundamentals needed to play the game including stick handling, passing, shooting and game play. With a variety of classes, you can find the perfect level for your skill set. Full gear is required; skate rentals are available.

**MINORHAWKS: LEARN TO SKATE** This is for the beginner hockey player who is new to the ice. Participants need no previous skating or hockey experience, as we will teach these future all-stars skills like falling down and getting up safely, marching in place, gliding, and skating with a stick.

**MINORHAWKS: BEGINNERS** Skaters should have passed the MinorHawks Learn To Skate program or have a basic knowledge of skating. Participants will take the next step in their playing career by moving to more advanced skating and hockey moves. Participants will work on turning, skating on one foot, skating backwards, stopping, and skating with a puck skills.

**MINORHAWKS: INTERMEDIATE** Hockey players will continue their skill development in this level. Participants should have completed the MinorHawks beginner program or have a strong skating and hockey fundamental base. In this level, players will work on improving skating technique by learning skills like crossovers, hockey stops, and forward/backward transitions. Players will also focus on puck handling, shooting, and basic game play.

**MINORHAWKS: ADVANCED** Hockey players are now take to the big ice. Players will participate in drills that work to improve skills learned in previous levels as well as learn in-game positioning and strategy through scrimmages.

**ADULT HOCKEY** New to the sport or looking for some tips and instruction? This class is a great fit for novice and intermediate players. Learn basic hockey fundamentals, including skating, passing, shooting, and puck handling, or get feedback on how to improve your game. This program will be split between on-ice instruction through drills and guided scrimmage.
