

PRESCHOOL ENRICHMENTS

ALPHABET ANTICS

Sounds and letters come alive through puppets, art projects, finger plays, and stories. Experience the joy of starting to read and basic phonics through books, crafts, and sensory activities. Children are walked to program and should bring a lunch. Pick up in Room 230.

AMAZING ANIMALS

Do fish sleep? Why does a kangaroo have a pouch? How come a giraffe's neck is so long? Explore the animal kingdom and discover amazing facts about our furry (and no so furry) friends! From backyard critters to creatures in the jungle, desert, and ocean, be amazed by the incredible antics of the animals who inhabit our world!

BUDDING LITTLE ARTISTS

Spend your Saturday morning doing art! Using a variety of unexpected materials and exciting techniques, children will use their creativity to make unique projects and keepsakes. Please note: class meets once per month (5 classes total).

CLAY PLAY/TOT CLAY

Each week, we will listen to a story and create an original clay work of art based on the book. The children work on learning fine motor skills as they create objects with clay. Children are escorted to enrichment class from preschool and should bring a lunch.

COOKS & BOOKS

Nothing is better than a story followed by a homemade snack! We will read a book and then create a tasty, edible project related to the story. No class: March 28.

EXPLORE AND DISCOVER

WITH KERRI RINGEL AND SHARON STERN
Curious children will discover the world around them with hands-on science experiments that focus on the five senses and the human body, nutrition and exercise, mysteries about the earth, and space travel. Children should bring a lunch. No class: March 27.

KIDS IN MOTION

WITH HELEN'S PERFORMANCE ARTS CO. 
This kid-centered class mixes gym games, rhythm and dance, and holiday themes together for a stimulating adventure set to familiar/appropriate music!

JR. BUILDERS

Build a tower, royal castles, igloos, airplanes and more as we use our hands and imaginations to make fantastic creations of all kinds! Children will use a variety of materials to design projects and discover the secrets of building dynamic and strong structures. No class: February 16, March 30, April 27.

JR. TRAVELERS

Each week explore a different country or culture, with each week focusing on a different topic. Special guests will visit to enhance our love and understanding of world culture. No class: January 15, February 19, March 26.

LITERACY FUNDAMENTALS

WITH KERRI RINGEL AND SHARON STERN
Curious children will discover the world around them with hands-on science experiments that focus on the five senses and the human body, nutrition and exercise, and mysteries about the earth and space travel. This discovery class will open their minds to explore big ideas. No class: March 28.

LUNCHTIME STORIES

Explore literature in a completely new way. We will have lunch together, read a book and do an exciting project or activity. Help promote your child's love for reading and early literacy skills while inspiring creativity.

MATH MAGIC & MOVE

WITH KERRI RINGEL AND SHARON STERN
Enter the magical world of math, as we explore how shapes, numbers, and patterns impact our daily lives. We will practice counting, measuring, adding, subtracting, telling time and so much more; all in a developmentally appropriate framework. No class: March 29.

MITEY MOVEMENT

WITH HELEN'S PERFORMANCE ARTS CO. 
Young movers and shakers are introduced to the art of movement and fun through games, dances and imaginative play. Children have FUN as they gain self confidence, coordination and self-direction.

MUSIC AND MORE WITH MARIA KOTSINIS

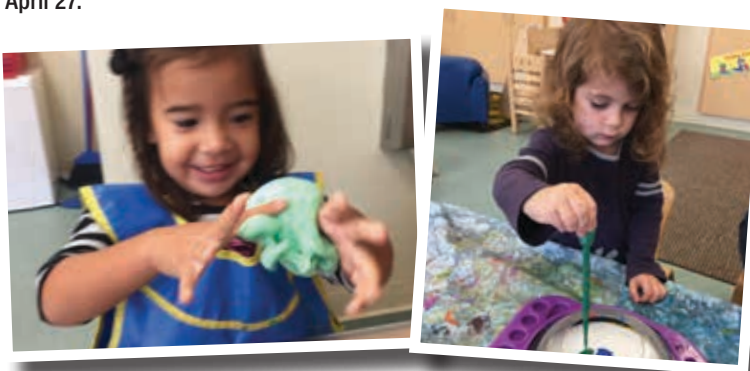

A musical background is an important building block in a child's development. Studies have conclusively demonstrated that early exposure to music will enhance the child's ability to learn as they become older. We will provide the necessary tools to allow preschool children to build that foundation one step at a time! No class: March 27.

PEE WEE SPORTSTERS WITH COACH MIRIAM

This active class introduces children to the fundamentals of sports such as soccer, t-ball, basketball, football and more. No class: February 16, March 30, April 27.
