NOVEMBER 1

SNOWPLOW SAM AGES 3-6

The Snowplow Sam levels are introductory classes divided into four progressive levels designed for children with little or no prior skating experience. These classes are designed to help children six and younger develop the ABCs of movement – Agility, Balance, Coordination, and speed. All classes will be taught in a safe and positive environment, incorporating fun and games to make class time an enjoyable experience for all. **REQUIRED EQUIPMENT:** Proper fit and lacing of skates, appropriate attire, and helmets recommended. Rental skates are included in the class fee. **NO CLASS:** December 19-31.

UNITED STATES FIGURE SKATING (USFS) LEARN TO SKATE CLASSES AGES 7+

The Basic Skating levels range from introductory classes to classes for those with intermediate skating experience. Classes are divided into progressive levels, so children can learn with peers who have similar skating ability. These classes are designed to help children seven and over to develop the ABCs of movement on the ice as well as important skating fundamentals and movement. **REQUIRED EQUIPMENT:** Proper fit and lacing of skates, appropriate attire, and helmets recommended. Rental skates are included in the class fee. **NO CLASS:** December 19-31.

MINOR HAWKS: YOUTH HOCKEY AGES 3-14 (SKATERS WILL BE DIVIDED BY AGE)

Learn the fundamentals of hockey skating. In four levels, skaters will learn how to be more proficient and agile on the ice. Proper skating techniques are the primary focus of the levels, with the goal to be successful in hockey practices and game situations. **REQUIRED EQUIPMENT:** Hockey skates, shin/knee pads, helmet, and gloves. Levels 2-4 require a hockey stick. Rental skates are included in the class fee. **NO CLASS:** December 19-31.

- **MINOR HAWKS: LEARN TO SKATE** This is for the beginner hockey player who is new to the ice. Participants need no previous skating or hockey experience, as they will learn skills like falling down and getting up safely, marching in place, gliding, and skating with a stick.
- **MINOR HAWKS: BEGINNERS** Skaters should have passed the Minor Hawks Learn To Skate program or have a basic knowledge of skating. Participants will learn to more advanced hockey moves, including turning, skating on one foot, skating backwards, stopping, and skating with a puck.
- **MINOR HAWKS: INTERMEDIATE** Hockey players will continue their skill development in this level. Participants should have completed the Minor Hawks beginner program or have a strong skating and hockey skills. In this level, players will work on improving skating technique with crossovers, hockey stops, and forward/backward transitions. Players will also focus on puck handling, shooting, and game play.
- **MINOR HAWKS: ADVANCED** Hockey players are now ready to take to the big ice. Players will participate in drills that work to improve skills learned in previous levels as well as learn in-game positioning and strategy through scrimmages.
- **POWER SKATING** Power Skating is a conditioning program for the intermediate to advanced skater. It is designed to help develop a skaters endurance, speed and strength.

ADULT STRENGTH AND EDGE CLASS FOR IMMEDIATE-ADVANCED SKATERS

Fitness based class that focuses on edge work. Skaters will create patterns on the ice with an emphasis on body alignment, strength and control. Rental skates are included in the class fee. **NO CLASS:** December 19-31.
