

Watts Advisory Group Member Application

The Board of Park Commissioners is seeking residents and users of Watts Center to join the Watts Advisory Group to serve in an advisory capacity to District staff and provide input to the Park Board in the following areas:

- Vision of Watts Park
- Future of Watts Center
- Programming and Services at Watts

Watts Advisory Group consists of volunteers representing a cross section of patrons and members of the community who have an interest in ensuring that Glencoe Park District is a steward for this important facility, and that programming and operations needs best serve the needs of the community and Watts' patrons.

This group will meet approximately two to four times per year on weekday evenings with meetings that will last 60 - 90 minutes depending on agenda items. The Advisory Group will review long-range plans related to Watts Center and Watts Park.

If you are interested, please fill out the attached questionnaire and email it to bcollins@glencoeParkDistrict.com or mail/drop off at Takiff Center to the address shown below. Inquiries and general questions regarding Watts Advisory Group are also welcome.

If you have any questions, please do not hesitate to contact Bobby Collins, Director of Recreation and Facilities at 847-835-7535.

**Glencoe Park District
Watts Advisory Group Application**
